If you're looking for the perfect finishing touch for your interior it is well worth investigating our Bespoke Rug offer.

These individually designed rugs add a unique element to any project providing decorative warmth and style to any interior space.

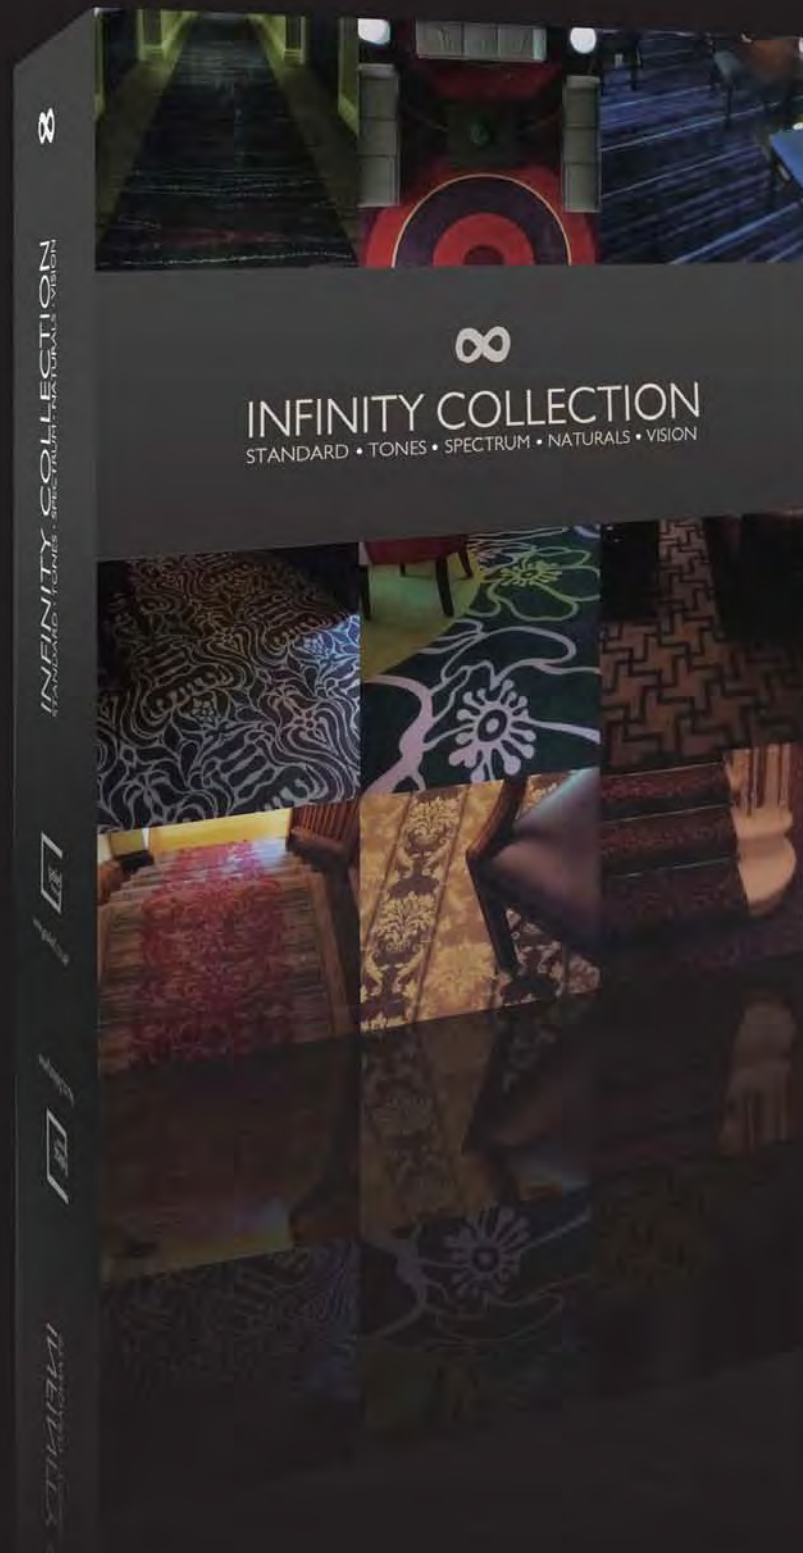

Using our acclaimed INFINITY 'Fast Track' Axminster programme you have complete design flexibility and the option to select from five individual colour palettes to perfectly blend with your interior scheme. Once a design and colour scheme are agreed your Bespoke Rug can be manufactured to your exact requirements making your purchase unique.

All our Rugs are made to order with exceptional service levels using high quality 80% British Wool / 20% Nylon or 100% Wool blends.

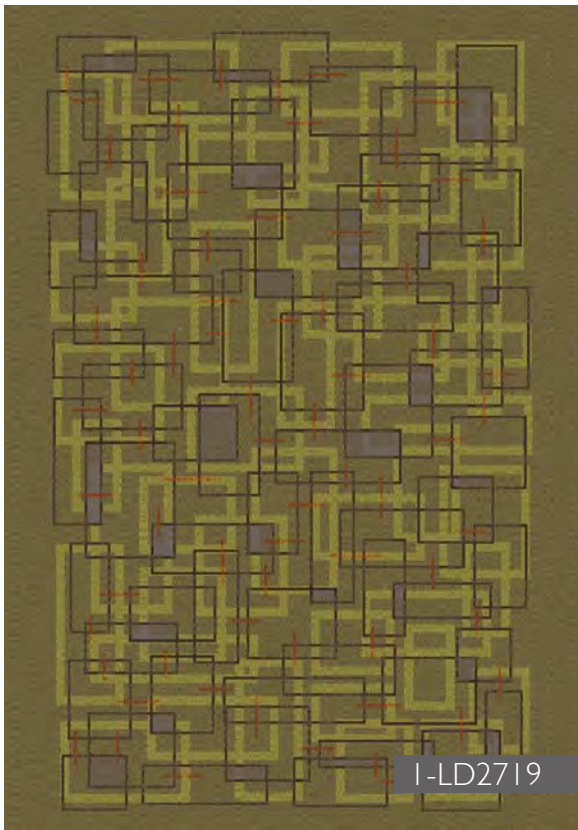

By combining bespoke designs with proven manufacturing qualities Gaskell Mackay can provide a unique interior design solution. Rugs can be finished with a variety of edge details and in dimensions to suit your specific needs.

The first step is easy, simply contact our Designers via sales@gaskell.co.uk or call us on 01429 892 525.
